## In Search of Excellence in Background Screening: Insights from Accredited Background Screening firms

Good Day, Background Screening Industry Colleagues!

I am pleased to present to you the 2020 edition of the [In search of Excellence in Background Screening: Insights from Accredited Background Screening firms](#) publication which is an exclusive guide designed to promote firms that have achieved accreditation by the Professional Background Screening Association (PBSA).

The *In Search of Excellence in Background Screening* publication is the only guide that promotes accredited firms directly to the HR community. The guide is sent to 40,000 HR Managers.

In addition to distributing the Guide directly to the HR community the edition is also posted to our industry leading background screening information portal - [PreemploymentDirectory.com](https://preemploymentdirectory.com) to make it easy for HR professional and hiring managers to download it throughout the year. A copy of the guide can be accessed here: <https://preemploymentdirectory.com/background-screening-best-practices/>

This is the fifth edition of the Guide and we wish to thank the accredited firms that advertised and sponsored an article.
