The records maintained by global authorities for verification has helped organizations validate applicant credentials and ensure they onboard the right talent. However, there are several instances wherein this has in fact had a detrimental effect on those who represent various strata of society. So how can one mitigate screening bias that is, at times, shown towards underserved communities? Join the experts to learn more.

On the panel we will have,

- Barry Nixon – COO at PreemploymentDirectory.com
- Lester Rosen - Attorney of Law, Founder & CEO at Employment Screening resources
- Rachel Theisen – COO at InCheck
- Krisy Bucher – Director, Marketing Programs at Appriss Insights
