

Background Screening News

PreemploymentDirectory.com Expands Its' Targeted eAnnouncementDirect Service for Suppliers to Background Screening Companies to Include National Press Release Coverage

Our targeted announcement service for Suppliers to the background screening industry just got better! In addition to sending your announcement to more than 2,100 firms in our database we will also send it out via a national press release service.

With our eAnnouncementDirect Media Release Service you get:

- Guaranteed wide distribution within the industry.
- Distribution to more than 2,100 background screening firms in our database.
- We post your announcement to Background Screening related LinkedIn Groups with over 20,000 LinkedIn members and to Twitter.
- We publish your announcement as a 'Feature Announcement' in [The Background Buzz](#), the leading e-magazine for the background screening industry.
- **THIS IS NEW:** we will also send your announcement out via a national press release service which means your message will likely get picked up by major search engines.

Bottomline:

Instead of hoping that your announcement is seen by the people you want to see it, the next time you send a press release use our **eAnnouncementDirect service**. The service is designed to reach your target audience.

Introductory Special Offer:

Buy one eAnnouncement before March 31st and get a second one at no charge' to use until June 30th.
