We Will Buy Your Business or Help You Take It to The Next Level

Nationwide Screening Services (NSS) is a background screening organization with over 20 years of industry experience. We are flourishing and seeking to expand and build on our success for the next 20 years to come.

We are currently seeking medium to small size background screening firms (CRA's), that may be looking for a partner, or to be acquired. You may be looking to obtain better vendor rates or alleviate some of your day-to-day operations; perhaps you are ready to move onto your next adventure or ready to relax and retire.

If you want your clients to work with a company that prides itself on its United States based customer service team, is relentless in providing the fastest turnaround times in the industry, or if you think that your company is too modest to be looked at by one of the larger CRA's; you may want to consider speaking with us. Our organization is a well-funded background screening institution, backed by a 600-million-dollar private equity firm.

I welcome the opportunity to speak with you at your earliest convenience.

Sincerely,

Lorenzo Pugliano
