DOT Oral Fluid Drug Testing – What you Need to Know!

Webinar presented by Joe Reilly, President, National Drug Screening, Inc.

Don't miss our upcoming webinars on "DOT Oral Fluid Drug Testing – What you Need to Know!" This is a 75-minute presentation on the new DOT final rule for oral fluid drug testing and will include time to answer all your questions. Learn all about DOT oral fluid drug testing and other updates to the DOT drug & alcohol testing regulation 49 CFR Part 40.

Three webinar dates to choose from. The webinar will be held on the following dates:

- Tuesday, June 20th, 3pm EDT
- Thursday, August 10th, 4pm EDT
- Thursday November 16th, 1pm EST

The \$25 registration fee gains you access to all three webinars, each one will have new updates on the regulations and best practices for the DOT Oral Fluid Drug Testing Program.

This webinar is for DOT employers and drug testing service agents including collectors, TPA's, background check companies and others in the drug testing industry. The webinar will focus on the DOT changes to 49 CFR Part 40 and what employers need to know about DOT oral fluid drug testing. This is not oral fluid collector training. Join us for valuable information about this new rule change and now new options for DOT drug testing of applicants and employees.

Attendees will receive handouts, a certificate of completion, a copy of the power point presentation and a recording of the webinar. Custom webinars and live training are also offered for larger groups, call Joe Reilly at 321-622-2020.
