Automated Court Record Searches

Through our years of experience, we have developed a comprehensive, scalable, and high-quality process that utilizes the latest technology to bring the most value to your business.

Court Runner Based Criminal & Civil Searches

We dedicate our researchers exclusively to our clients. They are not shared with other providers in most states. Per the PBSA Criminal Research Provider Guidelines, each has been vetted, backgroundchecked, and exam-certified.

International Criminal Searches

Eagle Eye Screening Solutions offers criminal & civil record searches in more than 200 countries and territories around the world. We provide background checking services around the globe to meet your needs.

Integrate with Eagle Eye

Eagle Eye Screening Solutions uses Digital Delves software platform, and their API can be integrated with any proprietary system or third-party platform. Current integrated platforms include: Accio Data, Deverus, TazWorks, Digital Delve, ClearStar. Save time and money by integrating with us.

ABOUT EAGLE EYE

All of our focus goes into making sure our service is the best. To stay ahead of the curve and our competition, we utilize all the latest technologies and make it our mission to always use the latest methodologies.

CONTACT OUR TEAM

714-315-3739
